The IEEE International Conference on Communications 2011 (ICC 2011) will be held in Kyoto, Japan 5-9 June, 2011. It brings together the world's leading researchers from academia and industry working in all areas of telecommunications and networking. The technical program will consist of 12 Technical Symposia, Tutorials, Workshops and Business Forums. Additionally, Industry-led Exhibitions for telecommunication systems and services will be held. We encourage submissions in all the symposia listed below. For details and important deadlines refer to the conference website.

Technical Symposia	Co-Chairs

Important Deadlines:

Paper Submission:	7 Sep. 2010
Acceptance Notification:	11 Jan. 2011
Camera-Ready:	11 Feb. 2011
Tutorial Proposal:	7 Sep. 2010
Workshop Proposal:	31 Mar. 2010
Business Forum Proposal:	15 Aug. 2010

Tutorials:

Proposals are invited for half or full-day tutorials in telecommunication and networking topics. Proposals should be submitted to Tutorial Co-Chairs. (sasase@ics.keio.ac.jp, Canadamouffah@uottawa.ca)

Workshops:

Proposals are invited for half or full-day workshops in telecommunication and networking topics. Proposals should be submitted to Workshop Co-Chairs. (murata@ist.osaka-u.ac.jp, Stuttgen@nw.neclab.eu)

Business Forum:

Technical perspectives, R&D strategic plans and activities will be discussed. Proposals of panel including title, scope topics and speakers are invited. Proposals should be submitted to Business Forum Co-Chairs.

PLEASE NOTE: To be published in the ICC2011 Conference Proceedings and IEEE Xplore®, an author of an accepted paper is required to register for the conference at the full or limited (member or non-member) rate and the paper must be presented at the conference. Non-refundable registration fees must be paid prior to uploading the final IEEE formatted, publication-ready version of the paper. For authors with multiple accepted papers, one full registration is valid for up to 3 papers. Accepted papers will be published in the IEEE ICC2011 Conference Proceedings. Accepted and presented papers will also be published in the IEEE ICC2011 Conference Proceedings and in IEEE Xplore®.

The VISA support conditions are as follows: (1) completion and confirmation of payment of conference registration, (2) completion and confirmation of hotel and flight reservations, (3) letter of recommendation from a member of the Organizing Committee (Required for an attendee who is neither a session chair nor an author). See IEEE ICC2011 website for further details.
